

Craig Schwartz is the Managing Director of fTLD Registry Services (fTLD), which operates the industry created and governed .BANK and .INSURANCE Top-Level Domains.

Schwartz has been active in the domain name industry since 2006 and has served in several leadership positions including the following: Member of ICANN's 2023 Nominating Committee, Vice Chair - Administration, gTLD Registries Stakeholder Group (ICANN), member of the GNSO Standing Selection Committee (ICANN), and Co-Chair of the Community TLD Applicant Group (CTA). Schwartz has a deep understanding of Internet public policy, the Domain Name System, and the cybersecurity issues impacting the financial services sector.

Prior to leading the formation of fTLD in 2011, Schwartz spent five years at ICANN and held the position of Chief fTLD Registry Liaison. Before joining ICANN, Schwartz was with Widmeyer Communications, a DC-based public relations and strategic communications firm, for nearly a decade and most recently as Vice President, Operations.

Schwartz earned his BS Degree in Finance from the University of Maryland.
